Forecast for Sunday 16 May 2021

Weather: Cloud in the north breaking up through the morning, otherwise bright with sunny spells but cloud bubbling up to give scattered showers for the afternoon, these perhaps locally heavy to the south of Torridon. The showers tend to die out through the evening.

Chance of cloud free mountain/hill tops above 800m: Close to zero at first in the north, otherwise around 75%

Visibility: Periods or persistent cloud above about 300m in north lifting and breaking through the morning, otherwise occasional cloud above about 750m by midday. Otherwise visibility good or very good falling to just several kilometres in any heavier showers.
